¹ The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.

² To the extent that the subpoena duces tecum encompasses documents that the Petitioner believes in good faith to be subject to the attorney-client privilege or the attorney work product doctrine, this Order is without prejudice to the Petitioner's submission of a privilege log to the Region identifying and describing each such document, and providing sufficient detail to permit an assessment of the Petitioner's claim of privilege or protection. The Petitioner is directed to produce all responsive documents in its possession not subject to any good-faith claim of privilege or protection.
